Why Singapore?

Discover Singapore, Your Pathway to Success

Embark on an extraordinary study adventure in Singapore, where opportunities abound, education thrives, and personal growth flourishes. Discover a world-class education, embrace cultural diversity, and build a strong foundation for a successful future.

World of Opportunities

Singapore, a hub of innovation and entrepreneurship, provides a wealth of opportunities for students to explore and grow. With its dynamic economy and forward-thinking mindset, the city-state is a fertile ground for turning your dreams into reality.

Global Recognition

Singapore's educational institutions are globally recognised for their excellence. Studying in Singapore offers access to world-class education, renowned universities, and a diverse range of programmes tailored to meet international standards. Gain a competitive edge and open doors to a prosperous future.

Safe Environment

Singapore is renowned for its safety and security. As a student, you can enjoy peace of mind while pursuing your education. The nation's low crime rates, stringent laws, and well-established infrastructure ensure a secure environment, allowing you to focus on your studies and personal growth.

Cultural Diversity

Experience a rich tapestry of cultures in Singapore. The city is a vibrant melting pot, where people from various backgrounds coexist harmoniously. Immerse yourself in a multicultural environment that fosters inclusivity, tolerance, and appreciation for diverse perspectives.

Global Connectivity

Singapore's strategic location makes it a gateway to the world. Its world-class Changi Airport offers unparalleled connectivity to numerous international destinations. Explore new horizons, indulge in diverse experiences, and broaden your global perspective during your study journey.

Technological Advancements

Singapore is renowned as a global leader in technological advancements. Studying in Singapore means being at the forefront of innovation. Benefit from state-of-the-art facilities, cutting-edge research, and exposure to emerging technologies that shape the future.

Quality of Life

Singapore consistently ranks among the top countries for quality of life. Enjoy world-class healthcare, efficient public transportation, stunning green spaces, and a high standard of living. Experience a well-balanced lifestyle that promotes both academic and personal well-being.

Why PSB Academy?

Founded in 1964 under the Singapore Economic Development Board, PSB Academy began with a mission to uplift the skills and knowledge of Singapore's workforce. Over the past 60 years, we have grown into a regional leader in higher education, celebrating our Diamond Jubilee in 2024 as a testament to our legacy of excellence.

Empowering Leaders of Tomorrow

Our approach to education focuses on what really matters: excelling in the New Economy. Through quality education, we develop future-ready graduates with the necessary skills, tools, and mindset needed to thrive in an evolving global landscape.

NURTURING

Adaptable and resilient future leaders who embody social intelligence and ethical values, embracing diverse perspectives to shape inclusive communities and contribute to a responsible global ethos.

EXCELLENCE

Shaping leaders who embody excellence through multidisciplinary expertise and a relentless drive fuelled by curiosity and passion to achieve transformative breakthroughs.

FORWARD THINKING

Future-oriented thinkers and problem solvers who harness creativity, digital expertise, and interdisciplinary insight to anticipate challenges, embrace change, and create innovative solutions.

PASSION

Individuals who are committed to making a positive impact, approaching challenges with energy and curiosity, while demonstrating accountability and professionalism in their decisions.

Graduate Employability

More than **8 in 10** graduates are gainfully employed as of today[^]

More than **8 in 10** graduates are employed within 6 months after final exam[^]

Close to **1 in 2** graduates earned a pay raise[^]

Close to **1 in 3** graduates earned a promotion[^]

Findings of the **2024 GES survey** done by PSB Academy also revealed notable results on our graduates post-graduation.

Close to **1 in 2** of our graduates were given a pay raise, close to **1 in 3** were given a promotion and close to **1 in 5** were converted to a permanent role.

[^]All statistics are based on PSB Academy Graduate Employment Survey 2024 conducted by Kadence International Pte Ltd for graduating cohorts from 2023. A total of 801 graduates participated in this survey as respondents, of which 44% are full-time (FT) graduates and 56% are part-time (PT) graduates. This survey is not the same survey conducted by SkillsFuture Singapore (SSG). As a result, the SSG Graduate Employment Survey may not be directly comparable due to differences in the sample size scope between the two surveys.

Our Singapore Campuses

PSB Academy is home to three campuses. Our City Campus (Main & STEM Wing) at Marina Square and Cathay Campus at Orchard are designed to blend learning and collaboration.

With a combined floor space of over 180,000 square feet, our campuses offer students a well-rounded learning experience. From industry-relevant facilities and multipurpose open spaces to interactive classrooms, students can immerse themselves in an environment that fosters collaboration, innovation, and the real-world application of knowledge.

Scan or tap to take a tour of our City & Cathay Campuses:

City Campus: Main Wing

Located in Marina Square, the Main Wing is designed as an integrated hub for learning and leisure. From industry-relevant facilities to classrooms fitted with writable walls, the campus provides students with vibrant spaces to learn, collaborate, and build their community.

Radio and TV studios equipped with professional broadcasting equipment.

MBA rooms with wireless display technology to support hybrid learning.

Lecture theatres that are wheelchair-accessible and designed for inclusivity.

Multipurpose open spaces for studying, collaboration, and student activities.

City Campus: STEM Wing

The STEM Wing is designed to advance science, technology, engineering, and mathematics (STEM) education, providing students with a future-ready learning environment. Equipped with modern facilities and industry-approved laboratories, students get hands-on learning experience that reflect real-world scenarios.

Electronics lab equipped with industry-standard software such as MATLAB, SolidWorks, AutoCAD, and more.

Chemistry and Life Sciences labs comprising High-Performance Liquid Chromatography (HPLC) instruments, Protein Purification Machines, and more.

Robotics and AI lab containing technology such as Turtlebot 3 Burgers, Arduino Braccio robotic arms and indoor drones.

Engineering labs with 3D printers, Tensile Test Machine, and more.

Sports Science labs fitted with 3D motion analysis cameras for biomechanics and performance research.

Cathay Campus

Housed within The Cathay, the campus spans more than 43,000 square feet and is designed with sustainability and collaboration in mind. Pockets of green spaces, open collaborative areas, and contemporary amenities are woven to create a vibrant hub for students to engage, collaborate, and thrive together.

Student lounges with variety of seating options to fit different learning styles.

Lecture theatres equipped with motion tracking cameras to simulate in-person interactions for distance learners.

Testimonials

“ The programme allows me to graduate in a shorter time while still gaining solid academic and practical foundations. ”

Jojo Chen
Bachelor of Biomedical Science
La Trobe University
Class of 2026

“ The programme at PSB Academy gave me practical skills in areas like content marketing, analytics, and campaign management, which I’ve been able to apply directly at work. ”

Vo Anh Vu
Bachelor of Arts with Honours in Digital Marketing
Coventry University
Class of 2022

“ My favourite part of the programme is the laboratory session and clinical analysis module. I will never forget rushing assignments and projects with my course mates. ”

Chin Kar Wei
Bachelor of Science (Molecular Biology and
Pharmaceutical Science)
La Trobe University
Class of 2019

Master of Analytics at Massey University offers me the choice of a marketing pathway, which allows me to not only learn the concepts of data analytics but also its application in the field I'm interested in.

Pham Hoai An
Master of Analytics
Massey University
Class of 2020

I chose PSB Academy because it embraces diversity in a natural and empowering way. Students are encouraged to engage in activities, express creativity, and take on leadership roles.

Kang Minju
Diploma in Media and Communications
PSB Academy
Class of 2025

I considered the reputation of the school, quality of education, time taken to obtain my bachelor's degree, student mix and the range of extracurricular activities available. To me, PSB Academy was the best choice by far.

Riddhi Sai Bommareddy
Bachelor of Engineering with Honours in Electrical and Electronic Engineering
Coventry University
Class of 2019

“

I recently started studying but have already learnt practical skills that are directly related to my specialty. We have already built and programmed our first robots and worked on projects in the field of programming.

Dubrovin Timofei

Bachelor of Engineering Honours in Robotics and Artificial Intelligence
University of Hertfordshire
Class of 2026

”

“

I got the opportunity to try different school activities from industry visits to professional workshops that enabled me to have a glimpse of real work environment.

Tendry Ravelson

Diploma in Business Administration (Accounting and Finance)
PSB Academy
Class of 2026

”

“

With the supportive learning environment and an industry-relevant curriculum, I am gaining the expertise needed to pursue new opportunities in the finance sector.

Thura Hein

Bachelor of Science with Honours in Accounting and Finance
Coventry University
Class of 2026

”

My lecturers are approachable, passionate, and supportive. They carefully go through questions and tutorials to ensure students understand the content. Overall, they are very nice and straightforward.

Mariah Hana Jamila Flores Mendoza
Foundation Diploma in Life Sciences
PSB Academy
Class of 2026

“

I've participated in several cybersecurity events, and also served as Secretary and PR for the first committee of PSB Academy's SCS Cyber Security Focus Group. These opportunities stemmed from my education at PSB Academy, where I connected with like-minded individuals, gained new perspectives, and shared my own knowledge in the field.

Sanoj Withanage
Bachelor of Engineering with Honours in Electrical and Electronic Engineering
Coventry University
Class of 2019
